What University web address would you like posted on the INCOSE website?

Form 51 – Academic Equivalency

Where do you propose the cutoff be made for student outcomes that count as equivalent to passing the knowledge exam? If below 85%, explain why you propose a different number.

What degrees may a student earn at your university with credit from this course?

Is your university an Academic member of INCOSE's Corporate Advisory Board?

Yes

No, but we know that we need to join or be a Chapter Affiliate Sponsor (CAS) before being awarded Academic Equivalency.

Please submit a mapping of how your course assignments assess against the INCOSE learning objectives. Do you agree to notify INCOSE if you change anything from your approved submission?

Yes

No

Describe the academic integrity requirements of the program. Provide a reference (URL or submitted documents) for academic integrity standards at your university that you feel would be helpful to INCOSE in evaluation of your program.

Please provide any additional information you feel would be helpful in the INCOSE evaluation of your program that is not covered elsewhere on this form.
